“ *Julie was such a sweet girl. She and my daughter Amy were in the same class when their class was at the old Fall Creek School. Later, they rode the bus to Greenfield. I'd wondered about her over all these many years. I'm sorry for her passing but know she's an angel now elsewhere, as she was here.*

“ Julie and I had so much fun when we were little girls playing with our Barbie's and going to Kmart to shop for their new clothes. At the old farm house in Middletown we used to slide down the banister and play with the old treadle sewing machine on the sun porch. We loved helping Aunt Charlotte wash laundry in the old wringer washer and hang it on the line to dry.

She taught me not to be afraid of the chickens when they were in the back yard or the moss in the water trough were we swam on hot summer days. She showed me were to find the kittens in the barn and where not to step along the way.

On rainy days we played on that huge wrap around porch and when we grew tired Aunt Charlotte would have us sit on the porch swing and sing to us until we fell fast asleep.

“ Julie was always pleasant and had her mother's sense of humor. Her art projects were always a hit at the Gernand family reunions. We will miss you Julie! Your cousins, Greg and Judy Gernand
