“ I will always remember the kind soft voice of my Aunt Julie and big smile that came with it. I remember as a very young child I got to stay over at her house in Middletown with Mark and she always made me feel special. I remember if she was ever traveling thru Salt Lake City she would call and see if we had time to visit. It was so great to be able to spend some time with her in February at my parents home. I wish that I had lived closer or been able to spend more time with my Aunt Julie and her family. We will be thinking of you all. P.S. I always thought it was special to marry a Julie.
