

## Justin James "Jay Dawg" Meier

October 3, 1977 - December 13, 2004

Frankton-Justin James Meier "Jay Dawg" was born on October 3, 1977, in Seattle, Washington, and currently resided in Frankton. His love and devotion for his family and friends was evident to all who knew him. He was a man that never met a stranger and was in many ways a big brother to us all. He was the jokester of the family, which made every time with him a memorable event. Growing up, he was a member of Boy Scout Troop 322. In his high school years, he enjoyed working summers at Camp Kikthewenund with younger scouts. During his years at Anderson High School, he played the tuba and trombone with the band. He worked for approximately 3 years in security and as a first shift Fireman at Delphi E. In recent years, he devoted much time as a volunteer firefighter for the Frankton Fire Department, and worked actively with the Frankton Fire Prevention Team. In pursuit of his dreams, he had taken many classes to further his knowledge in the areas of firefighting, safety, and rescue. Justin's memory will live on forever in the hearts of all he touched. Survivors include: Mother, Damita Jo Meier of Chesterfield; Father, James Michael Smith of Puyallup, Washington; Sisters, Shelena Y. Meier of Indianapolis and Sandy Smith of Granite Falls, Washington; Maternal Grandmother, Marlene Y. Duncan of Chesterfield; Aunts, Cynthia Conrad of Alexandria, Sandy Lott and Gayle Smith, both of Seattle, Sara Rybka of Fife, Washington; Uncle, Pete Rybka of Fife, Washington; Cousin, Callie Conrad of Alexandria; Special Aunt and Uncle, Linda Crites and Bill Crites, both of Washington. “ Justin was a hero to many. Justin I just wanted you to know I always admired you. I have learned so much from you over the years. I always knew if I had questions about anything I could ask you, and you would humor me in any way sometimes talking to me for 20 minutes trying to give me an answer to my questions. Learning was a life long thing for you. You were always trying to better yourself in any way, and in so many different areas. Watching you made me proud. Justin I want to thank you for always being so thoughtful, and going out of your way for all of us. There are so many things I?m going to miss like you saying ?Hey T? and me saying hey JustaJustareaJust, not hearing your laugh, that made me laugh harder, and you just being there. But, I will hang on to the memories of your kindness, friendship, and You being my other big brother. I love you and will miss you dearly. Words will never be enough. ? HERO. Someone we admire. Someone we look up to. Someone who gives us hope. Not a myth, or an icon, or a legend--someone solid, genuine and real. An ordinary person who does extraordinary things. A hero picks us up when we are down. Believes in us before we believe in ourselves. Inspires us to expand and embrace what?s possible. Helps us realize that we can be heroes too. ?The world knows little about it?s greatest heroes.? He was our hero. He was our J Dawg. I love you Justin. Damita and Shelena you will always be in my thoughts I love you guys so much!!
