“ We were very sorry to learn about Justin's sudden passing. Had my mom not read down into his obituary, we wouldn't have even made the connection. Even before this, we have thought of all of you often and wondered how you were doing. All of you are in our prayers and love now.

“ *I have no idea what to say but I'm just soooo unbelievably sorry. I cannot imagine your pain and suffering. No one family deserves such torture. Well I hope you know how much I love you guys and how much I still think of you and them. Julie was my best friend and she'll never be replaced. But we have to let them live through their children now. I am so so so sorry Nikki, I love you and my heart is with you and your family forever.*
