“ Todd and family: Both Barry and I worked for years with your mom at Monroe Guaranty. I was lucky enough to sit right next to her! I could tell you some great stories and all the good times we had. I feel so very fortunate to have visited her at the hospital recently. Barry and I wanted to let you know how deeply sorry we are for your loss. She was a very wonderful woman, and a dear friend. May you find comfort in knowing just how much she was loved.
