Just one memory? Ain't happening!

This girl has been my best friend since high school! She is not only a best friend but she was my sister!

We got ourselves in so many mess's but we had a lot of fun doin it! I could write story after story after story but there in not enough room here to do that. But I'm gonna tell you what..Suzi is the best! She was loving..caring..and would do anything for anyone! She is soooo loved and even though we didn't talk much I loved her with every beat of my heart! The last message I sent to her was Suzi I love and miss you! I am so very thankful that those were my last words! We never once forgot to say I love you!

SUZI...I LOVE YOU!!
