“ Dear sweet precious Katie...loved when you came into subway with your mommy and I'd try and play peek a boo with you when you would hide behind mommy or the pop counter...your smile and laugh and just seeing your sweet face cheered me up .. so glad I got to meet you and get to know you.....loved when your mom would tell me how much you loved Doritos and you wouldn't share sometimes...well I don't always share mine either all the time. Lol..going to miss you sweet girl but I know when the sun shines your sweet face will be shining down upon all of us that loved and cared for you 😊😊😊
