“ *My prayers go out to the family and may God be with each of you at this challenging time. I didn't know Kathy real well, we worked together about 5 years ago, but I do know she was a very strong person and a fighter. She fought long and hard, but God must have just wanted her with him, because she was such an awesome person. God Bless!*

“ *My prayers are with Scott, Austin and Madison. I worked with Kathy in the Oncology Dept at Eli Lilly & Co. Kathy was a fierce fighter of cancer both in life and in her work. I will never forget the infectious laughter coming from the cubicle around the corner at Intech -- or the wonderful discussions about our Lord that Kathy and I had when I first joined Lilly. Heaven is rejoicing at her homecoming and for her family we have the promise "to be absent from the body is to be present with the Lord". May God's peace keep you until the day we can all see her again! .*

“ Dear Feider family, please accept my sincere sympathy. May you look forward to the time when the Bible says that "God will wipe out every tear from their eyes, and death will be no more, neither will morning nor outcry nor pain be anymore. The former things have passed away" Revelation 21:4. I hope that this promise and loving memories bring you comfort.
