“ Dear Family,
I miss Mom a lot. She always made us feel loved and secure. Her food was great and I still miss her Taco Salad in the huge, yellow Tupperware bowl.
All my school pics show the outfits she made for me. She taught us many things. Memories of the breaking horses and cutting trails, overnight camping and waking to snow covered sleeping bags, the stables and so much more.
I will never forget you Mom, your name will always be on my birth certificate. Thank you for adopting and loving me!
We are praying for strength and comfort for each of you as you adjust to this loss. My heart breaks with you.

“ *Kay and I had such a good time when we were together. We laughed a lot!!!*

She was an awesome cook and always cooking up something new. She was a very good seamstress also. She made several dresses for Charlotte when she was born. I was able to give a few to Charlotte when Andrea was born. Then Elora also was able to wear. I loved her and she will be missed!!

Love to all

Tina
