“ *You took a piece of my heart with you to Heaven! My drive to work this morning was not the same, nor will it ever be again. You were my Rock of Constant; always there, no matter what, and I was the same to you. You will be missed beyond my ability to express the hole I will now live with in my heart. I love you Kelli Kym ~ Thank You for showing me what a Friend indeed looks like. Until we meet again.*

Rest easy girl,
