“ We remember first meeting the Bussen family in the early 80’s at Maple Grove Church of God. Kellie was quiet and shy, often standing beside her dad. We are heartbroken to learn of her untimely passing and send her family and close friends our love and prayers that you might find comfort in happy memories and the consolation and love from those who knew her. Love, Ed and Margaret Combs

“ I called you my aunt for many many years growing up. We had great times and some not so good times. You was my mama's bestie for many years. Hearing you and her scream singing cleaning the house when I would get home from school. The main ones I remember was return of the mac and the Carwash songs. Damon was like my little brother.
Hugs to Mary and kellies children.
