“ My thoughts and prayers are with Kelly's family and friends let here on earth. We all have fond memories of her and her sweet, sweet smile. I will forever remember the Alabama Concerts that we went to at the state fair. Singing along to all the great songs. Our years together at Walker were great years and we had a lot of fun with so many that worked with us. I know Kelly is rejoicing with the many family and friends that have gone before her and I know she is no longer in pain or discomfort. We have all lost a GREAT FRIEND but we have all gained one of the GREATEST Guardian angels we could ask for. So as I think of my friend Kelly, I will look to the heavens and smile because I know she is smiling right back down at me. Love you and miss you my friend.

“ Kelly brought so much joy to my life as I know she did for everyone who knew her. The memories with her are endless, whether it was going to a concert or traveling somewhere just to eat or anything in between, she made sure everything was fun. She was full of laughter and loved to tease. Somehow, even if you were the butt-end of her joke you still knew she loved you. Kelly will be missed by everyone but she still lives on in our memories.

“ Joanne & Tammy...especially, but to all Kelly's loved ones, I want to say I'm so sorry for your loss. She was a great person and she will always be remembered for her good spirits and tenacity for fighting her illness. She lived just the way she wanted to and I'm happy for that.
