“Kendall was a man of integrity who knew and loved the Lord. His Christian spirit was not just expressed in words when you needed wisdom or a prayer, but his countenance reflected who he was in Christ. He had such a tender heart. He always had a smile on his face, would shed a tear with you if you were going through a difficult time, and you were always guaranteed a hug. He had a way of making everyone feel special. He made my favorite meal every year for lunch on my birthday, Pot Roast. He was never too busy to talk to you and was always a good listener. Kendall, my friend, I have no doubt where you are. You were a great inspriation to me. You loved well and blessed many. My thoughts and prayers go out to your family. To say I am very sorry for your loss seems so inadequate, for your loss is great. My thoughts and prayers are with you all.

“ Over the years I have been blessed to have the opportunity for relationships from GUIDE LAMP that I consider my WORK FAMILY that flowed over into my PERSONAL FAMILY. Kendall and his family has always been a perfect fit for me. I could go weeks without talking to him or seeing him, but when I saw him again, we started our conversation almost where we left off. . He always looked on the BRIGHTER side, always cared for his co-workers, his job, his friends and family. His focus on GOD was right there on top. Over the years it is immeasurable the impact Kendall has had on my life. I truly have been blessed to have known him and shared things over the years. May GOD continue to bless and comfort Kathy and all of the family.
