“ *I always loved it when Kenny and his family would come to visit. Margaret's children were always very close and it made my mom so happy when they would come. There is sure to be a happy reunion in heaven as one more of our family goes home.*

“ *One of my fondest memories of my brother was him taking me swimming with him at the Athletic swimming pool. I could not touch the bottom so he carried me around in the water. He always took his little sister with him. He took me sledding one day and we got hit by a car and both ended up in Hospital.*
