“ All my sincere condolences to the family. I have known Kenny most of my life and know the loss all will feel by his absence! He was a true friend and confidant. Although I have not called him for a while he has been on my mind alot lately...now I realize why! I really loved my little buddy and always had a big hug for him when we did see each other. The world has certanly lost a wonderful guy! I know he will give God a good laugh and all the angels a happy little buddy!!
