“ Dear Ken and Connie Ritchie, I was saddened to hear of the passing of your father. At 89 I'm sure that he had a full, eventful life; but it is still a loss one doesn't want to experience. I hope that all else is going well for you and Connie do I know her?

“ Granny and Family, I would like for you to know that you and the family are in my prayers. Pappy was one of the best men that I could have ever met. He was very smart, sincere, and humorous. You are a very lucky woman to have had him by your side. I will never forget the ways that Pappy would make me laugh when I visited. I deeply regret not stopping by recently. Nadean and Kenny are like grandparents to me. I can only hope for Granny, and the rest of the family as well, that as time progresses, you will keep Pappy alive in your hearts. Should you, or anyone in the family, need anything at all, please let me know and I will do what I can to help. I love you all! You will continue to be in my thoughts and prayers!
