“ Nancy and girls I am so sorry to hear about Kenya. I have thought of her often over the years and have nothing but fond and wonderful memories of our childhood together. I always felt like an extended member of your family whenever I was around. She will be deeply missed and never forgotten! You are in my prayers.

“ We were so impressed and blessed by Kenya's ministry with quilts and her precious note that came with it. WE treasure the time and thought that went into each quilt. Blessings and prayers to all the family.

“ *My heartfelt condolences to Kenya's family. I have so many memories of the times she babysat my girls when we lived across the street from her on Forest Drive. I had no idea she had an ongoing illness, and I wish you comfort and peace in these dire and difficult times.*
