“ Aunt Trena I love you and will miss you so much. You were an incredible woman and your legacy will live on through Uncle Lou, your children, your grandchildren, great-grandchildren, nieces, nephews, brothers, family and friends. I will miss your smile, sense of humor and, laughter. You have brought joy into so many lives through the years. I know you are an angel in heaven now, just as you were an angel on earth. May God bless all those left behind and find strength in the beautiful memories you've left us with. Can you please give my Dad Kermie, Pap, Grandma and Jake a hug and kiss from us. Tell Cheater Dog that you are there to keep him in line!
