“ *Dear Chandler Family, I wanted to write and express my deepest condolences for your loss of Kim. Losing someone we love is definitely one of the hardest things a human being can experience. Something that has always brought me comfort when facing the death of someone I love is the promise at Revelation 21:4, there it says, "And he will wipe out every tear from their eyes and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." Just imagine a time when all of your loved ones will once again be with you, and you will no longer have any reason to cry; that truly is a beautiful promise we can look forward to. I hope this message is able to give you a small amount of comfort at this trying time. Sincerely, Tanya*
