“ My heart is broken upon hearing of Kip's death. He, along with the rest of the Loose funeral home staff, were and still are, very supportive of our Nursing Honor Guard. When my dear husband, David Bronnenberg, passed away in May of 2018, Kip took such good care of us and he went way above the call of duty. He surprised me with the Purdue emblem in the lid of the casket and I think he had a hand in the surprise Purdue fight song at the end of the funeral, which we all needed at that time. His kindness and compassion will never be forgotten. R.I.P. good and faithful servant.

“ Our deepest condolences to all the Castor Family. Although we did not know Kip personally, we knew him through Chad, Rex, and Barb. We knew what a great friend, cousin, and nephew he was to them. Kip will be so missed by so many; a wonderful tribute to the person he was.

Sincerely,
Pam and Jim Richardson

“ *I first met Kip, as he was the resident hippie, who was a housemate of mine and Jeremy High's, while we were mortuary students, who rented off of Gary and Brenda Moore.*

We didn't talk a whole lot, maybe in passing. He was usually out front smoking, because the Martin's didn't allow booze or cigs in the house..lol. He was a private guy, kept to himself. Deepest sympathy to Kip's family.
