“ Dustin and Derek, I can't begin to tell you how sorry I am to hear about Kristian. I still can't believe it myself. It makes me very sad. I regret not staying in contact with Kristian over the years. She was a very good friend of mine at a point and she will be very missed. If there is anything I can do at all, don't hesitate to ask. Again I am so sorry. Dawnielle Koebcke

“DeeDee, Dustin & Derek...I can't even begin to tell you how sad and shocked we all were when we heard of this tragic loss. We all know our kids were all very close at one time and still continued to be friends throughout all these years. Both Jessica & Erika took the news very hard, as well as Carissa and Bub. DeeDee, you know my heart and soul goes out to you. Kristian & Dustin was such a part of our lives @ one time and I cannot imagine your overwhelming loss & grief. I know Dustin has lost his "other half" and there is no "right thing" to say. Dustin, you know how much we have always cared about you and your sister and all I know to say is, keep her memory alive by staying strong and remember that she has not TRULY left you. You will still feel her infectious spirit in your life. Just know that we are all sharing in your loss and are still here for you for anything you need. I know, I especially, will miss running into Kristian and hearing that "hey Beautiful" or "hey Mom". I loved the time that she spent in our home. DeeDee, my worst nightmare has happened to you and my arms are wrapped around you right now. I know myself and Erika are not able to attend the service on Monday, but we are all definitely there with you in spirit. Jessica is going to try to get off of work, so hopefully she will see you there and extend our deepest, deepest sympathy. Please let me know if there is ANYTHING I can do for you or Dustin or anyone. You will be in our thoughts and prayers for a very long time. God has called home one of His "livliest" lights and we will miss her dearly. Love, Rose
