*“ We are so, so sorry to hear of this tragedy. I remember when Kristy first came to the train. Her bubbly personality and big smile would light up a room. She loved working with people and it showed. The passengers and crew all enjoyed her company. She will be missed deeply by her train family.*

*“ Kristy always had a smile ready for you, whether you were just coming in off the train, or preparing to go out. I really enjoyed talking with her, as she had a quick wit, and always added something you would not expect to the mix. I will miss her. My prayers go out to her children and family.*
