“ Krystal Dawn was & always will be my very best friend!! I can't believe this is real.. She was the only person I had who always ALWAYS understood me and NEVER judged me. She wasn't fake.. always real. And she never let anyone get over on her or the people she loved. She would fight a bull if she had to if it was going to hurt someone she cared about.. that's just who she was... Krystal was my person... and I'm not sure how to go thru the rest of life without her. I love you Krystal Dawn so much and with all my heart and soul. Please please rest in peace... be with your daddy and be at peace. I'll never ever forget you or any of our millions of memories we created over the years ... god there's so many. I love you so much!! Love, India Abbott
