“ Steve, Ada and all Loved Ones, I tried to write but, it came out drippy sweet and that's not Kurt. His was a perfect, understated eloquence, knowing he made a difference for others, and so much more. My heart and thoughts are with you all. shelly

“ My deepest sympathies, however Kurt would not have wanted them. We sang in a tallent show in second grade, did Cub Scouts together, marched in the High school band, and "scouted" the University of Alabama for a college, and traded silly home made videos as adults. Kurt will be missed but would probably not like being morned. If he could tell us how he was at this moment, he would respond, "PERFECT". Gods speed Kurt
