“ Lacey I will forever miss you, and will Love you endlessly! You were more like a sister to me and we were inseparable when I lived back home. Always helping me with Kameron when he was little, like he was your own. I will treasure every memory we have together. So happy I saw you at Thanksgiving. Rest peacefully until we meet again! Hug Stacey for me!

“ We have a lot of memories and I miss her so much. Our favorite thing to do would be to watch movies. She always made me feel better about everything. I miss her so much and I know her and my mom are by side no matter what life throws my way. I MISS THEM SO MUCH!
