“ I was deeply saddened to learn of Lannie's passing. He was a notable member of the Markleville HS Class of 1968 who attended all of our reunions, always sharing his exuberent spirit and humor. But most of all, he was a devoted family man and friend you could truly rely on. We will always cherish his memory by the way he touched so many lives. May you rest in peace dear friend! “ Betty and girls, I was so very sorry to hear of Lannie's passing. It doesn't seem possible that a man so full of life could be gone. We started first grade together and 12 years of school together. Wherever Lannie was you could hear the laughter and know that people were having a good time. I have lots of memories of time in the "Baby Farms". Stay strong and love each other and laugh a little once in a while so that Lannie can hear you. Class of "68"

“ Lannie was such a clown! When I was a freshman and he and Ira Forney were seniors, I sat at their table in Mr. David Pritchard's art class at Markleville High School. I was kinda sweet on Ira at the time, though being sweet on him was as far as things went. Lannie teased me whenever he noticed that I was giving Ira one of my goofy stares. Being at that art table is one of the things I most remember about Lannie. I went on to start dating Richard "Chad" Chadwick a short time later. Chad another member of the MHS Class of 1968 passed on last year. I know he'll be there to meet Lannie! My condolences to Millie Walker Adams his sister and the rest of his family. Thank you, Lannie, for adding memories that still make me smile re: my freshman year at MHS!!!

“ Thinking of you all with heartfelt sympathy. Lannie was one of a kind & always left everyone he met with a smile ... and possibly a sore face from laughing so hard. We know he will be missed so very much by so many.

“ *Millie and family: To lose a brother, spouse, brother-in-law, Dad, uncle and other titles that have been attached during his lifetime, is seemingly unbearable. Just remember he will live on in memories and deeds for a long time. I'm sure he's helping Upstairs to entertain the other residents as only he can do. Probably busy fluffing wings, adjusting halos at a cocky angle and doing what he does best...making folks laugh. He will be missed but will always reside in your heart. A big hug for those he left behind...*

“ Lannie was only a cousin, however, he was more like my uncle. He was one of the kindest men I have ever known. He never met a stranger and he had a very caring heart. Betty, you have been an amazing and strong wife. Heather, you have your dad's sense of humor, and will carry it on in his memory. Natalie, you are the rock just like him. Love you all so much. Heaven was truly blessed when they received him. Prayers for you all.

“ Heather, I'm so sorry and wish I had the words to take the pain away. I remember seeing your dad at Transfer Connection over the years, but what I remember the most is being at your house in Freed's Village when we were little kids. Your dad was always so nice...and SO FUNNY. He is the reason for many laughs and many smiles. Sending hugs and prayers to you, Natalie and your mom.
