“ My memories of uncle Larry are all great one's.  
He always loved, never judged. He was so  
loved it was hard to get to spend time with him  
by yourself, so you couldn't be selfish. He's the  
best uncle any of us could ask for. And now  
he's enjoying the life with Grandma and  
Grandpa, smiling, happy, sharing stories of his life with them. I will  
miss you more and more everyday. Wish I could have hugged you  
one last time. I will always have you in my heart and dreams with  
Grandma and Grandpa. Missing all the fun you gave us when we  
were little.

“ He always made me feel like I was #1. He had that way about him. He made everyone feel that way but when I was with him, I was #1. He was there and tuned out the rest of the world to hear me speak. I think I'll miss the kiss on the cheek and hug the most....
