“ *A heartfelt condolence to my cousins Nancy and Sandy and all their family members. I read through many comments from others of this super kind uncle of mine and was amazed at all the lives he touched. I remember him as a fun loving and patient man blessed with social grace. As a child, I remember while playing with my brother and cousins, the grown ups in another room were laughing so much they were crying sometimes. Won't forget Uncle Larry's laugh that was infectious and his quick humor. A fun memory: I watched Captain Kangaroo one day as they featured a ukulele. When I heard that and said the word aloud, I kept associating "Uncle Larry" with ukulele. Even to this day.*
