“ Larry, You started your life almost 20yrs before I did. You were thru high school and served some of your life in the navy before I even knew who you really were. I will always have the memories of the years I stayed with you in the summer. I will always remember the passion you had for the chevys you owned. Most of all I will remember the time you spent here with us when our mother passed away. She loved you as much as you did her. By now my hope for you is that your spirit has joined Moms. God bless and rest in peace... Your brother Joe
