“ I am so sorry to hear about Mr. Butler. My girls rode his school bus and now my grandkids occasionally ride that bus. It is sad that I won't get to wave at him any more. It has been my pleasure to know him and he will be missed by me and my grandchildren. Sincerely,

“ Sue, We were shocked to hear that Larry had died. He was a such a fun man to be around, a good friend, always with some sort of outrageous story about his outrageous behavior! We always enjoyed our nights of playing cards with both of you. I know you will miss him and so will we. We'll see you soon, God bless you all,
Nancy

“ So sorry to hear of loss. I didn't know Larry, but he drove my daughters, Sara and Emma, after school from South Elem. to Maple Ridge this year. They always told me how funny and nice he was...always telling them jokes during the commute. Emma told me how happy Larry was when his granddaughter was born. May God bring your family peace during this difficult time.

“ Rob & Family, I was so sad to read in the paper this morning that Larry had passed away. I always really enjoyed talking with Larry. I remember the fun days back when we all would hang out at the barn and Larry would always make me laugh. Sorry we have not been in touch for such a long time. Jason & I would like to send our deepest sympathies to the entire family. Jason & Whitney Bond
