“ My sympathy to the Chase family. Larry has been a good friend of mine since we met through a business relationship 20 years ago. He is a loyal friend whose fidelity to our friendship is beyond words. We talked on the telephone very often to support each other during difficult and good times. I spoke to him by phone as recently as June 12th, just before I had knee surgery. My attempts to contact him by phone the past several days proved unsuccessful and I was very concerned. It was not until today that I discovered he passed. My sincere condolences to you and your family over your loss and that of a great friend of mine. May he rest in peace.
