“ I best remember Uncle Larry at my grandma's house on Christmas Eves. All of the grown ups would gather in the kitchen and talk and laugh. Larry was always nice to all of us kids, and I knew he was good person. I haven't seen him in a long time, but I have always thought of him affectionately in my heart.

“ Uncle Larry was a very kind man. He used to stop at our house after work and visit. He would bring me Juicy Fruit chewing gum. I remember sitting with him on the floor once drinking a bottle of pop. He loved his family.

“ Thank you for visiting Dad's Tribute Wall. Your messages of sympathy and your shared memories of my father are greatly appreciated.

Despite the over abundance of links suggesting the sending of flowers, we do ask that instead of flowers that you consider a charitable donation in dad's name to the organization of your choice would mean so much more to us. Flowers are beautiful and they show you care, but charitable donations will have a more lasting impact on someone in need and that feels like a greater gift to my father's legacy.

Thank you and with all my love to family and friends,

Eric
