“ Sorry for the "Lee's" loss. I was one briefly. Sad fact is Melissa and I will NEVER know who our 2 older brothers are as Larry and Judy took that secret to their graves. Song lyric below sums up the relationship Larry Lee and I had. Father of mine Tell me where have you been? You know I just closed by eyes My whole world disappeared Father of mine Take me back to the day Yeah, when I was still your golden girl Back before you went away Father of mine Tell me where did you go? Father of mine Tell me what do you see? When you look back at your wasted life And you don't see me. You NEVER sent me a birthday card I never understood you then And I guess I never will Daddy gave me a name Then he walked away Father of mine Tell me where have you been? Yeah, Father of mine Tell me how do you sleep? With the children you abandoned And the wife I saw you beat.
