“ I would like to express my deepest sympathy to family and friends. May all of your good memories be greater than your sadness during this difficult time. (Isaiah 25:8)

“ Larry's love for God and his family was known by being around him. Such a blessing to watch his faith grow as he went through his recent health issues - still had a sweet sprit and a smile on his face. I remember Larry always asking others how they were doing and never complaining or bringing attention to his own life issues. I will miss being in services with Larry at Liberty Baptist Church as he was such a blessing to us all. Extra special for me was getting to see Larry making food preparations at BSU Sporting Events when I would walk at the Arena on my lunch break. I know the BSU Community will miss this sweet man and all the kindness he shared. To Larry's family - my prayers are with you all and I am so sorry that I will not be able to make it to the calling and funeral on Saturday. Our thoughts and prayers will continue for you all. May you find comfort and peace in the God that gave peace to your loved one. Enjoy being with your Savior Brother Larry - I will see you one day again when we join you in Heaven. In loving memory - Diana Blair
