“ Dale was definitely one of the good guys, he always was very thoughtful of others. I had the privilege of spending a lot of time with him from 1983 to 1987. During that time he was like a big brother to me. I am grateful to Larry, Linda, Lisa, Danny, and of course Dale for the time I spent with them. During those years, I was a lost young kid with no direction in life. Dale and his family was a positive influence in my life and his example helped motivate me to do the right things when it was easier to do wrong. Our loss on Earth is Heaven's gain. My deepest sympathies to his wife and family, may God bless you all. Branden Willis
