“ My Aunt Laverne was a special person, and we will miss seeing her at family get togethers. I do not ever remember a time when I saw her without a smile on her face. I wish for my Uncle Bud (James) and all his family our sincere prayers and thoughts during this time, we share in your loss and find peace knowing she is with the Lord.

“ I worked with LaVerne at Potter & Brumfield, Siemens and so enjoyed our friendship that has lasted through the years. She was one of the most kind and compassionate people that I have known and was such a joy to work with. She and I shared a lot of our lives with each other and had some very good times. I know LaVerne loved the Lord, her family and she also loved her "chocolate". She will be missed by so many and I just want to extend my sincere sympathy with prayers to her family at this difficult time.

“ I am a proud friend of Nathan and Lindsey, and had the pleasure of visiting LaVerne and Jim at their home once while staying in Anderson. She was such a kind soul and we immediately hit it off. No surprise. I know how much she meant to the whole family, especially Nathan. May she always be with them, and may God bless and comfort them all.
