“ May the Lord comfort and guide our Family in this time of grief. I will always remember the time when I was covered from head to toe with chicken pox and Uncle Bud came to stay with us. He would pick me up and carry me room to room when needed. A Good, Caring Man he is. I wish I could be there in this time of sorrow. Rest in Peace Uncle Bud!! God Bless Everyone. “ Les was a member of our kung fu class. He always went to practice when he could and even though he was in pain and had a hard time moving, he would try to be in every class possible. His sense of humor made things fun and his dedication to shaolin do was admirable. I am proud to have had him as my student and friend. He will be missed. sifu David Hamilton Anderson Shaolin Do
