“*Dear sister, I miss you already. You have always been there for me throughout the years. I will forever cherish so many wonderful memories that we had together. Like when you went to Orlando with Rachael, and brought \$100 of spending money, and you spent almost all of it on me. You were so thoughtful, and most importantly funny. You could make anyone laugh. You had a huge heart as well. Leslie, you will always be my sister, I have a special place in my heart that is reserved just for you and all of our memories. I will always cherish them. I love you forever, I love you enough* ❤️

“ My heart breaks for your family. You are gone way too soon. They will always have their memories of how much joy and happiness you brought into their lives and one day you will all be together again. I will always remember your smile. May you rest peacefully in Heaven.

John 10:27-29 “My sheep hear my voice, and I know them, and they follow me. I give them eternal life, and they will never perish, and no one will snatch them out of my hand. My Father, who has given them to me, is greater than all, and no one is able to snatch them out of the Father’s hand.” (Jesus speaking)
