“ *To Elsie and her family*

*Im so sorry for the loss of your sister Leta. Just try to remember the good times you had together. We were with Pastor Mark one time and he told us that the pain you feel right now at this time will lessen and not be so hurtful but. He told us that it wouldn't ever go away but that time would help the pain to not be so severe. Well he is right we were able to not be so sad every minute when we thought of our mom. I will pray for you and your family that some of your sadness will go away and in its place you will be able to remember the love and memories that you have of your sister. I love you aunt Elsie and am sending you big hugs Debbie*

*If there was ever a person that touched Hearts everywhere she went it was our Aunt Leta. She loved life and experienced it to the fullest! And talent?? She could play and sing..paint beautiful paintings..write novels..cook banquets for groups and for homeless. Not only did she study God's Word all her life..she lived His truths and wanted all to know Him. She loved Jesus and was His hands and feet for many years. These are just a few highlights of her life. My time with her wasn't near enough..so much I wanted her to teach me! I treasure the spiritual connection we had..both of us just enjoying our discussions..I will keep them dear to my heart. One day, Dear Aunt Leta, I will join you and we will sit upon hours and chat. For now, you will be greatly missed by many. Love you.💕*
