“ We moved across from Dean 5 years ago. It didn't take long to realize what a special person Dean was. We had many conversations with Dean and Dianna over time which solidified our friendship. We were very devastated that we didn't get the news in time to attend the services. We feel the friendship we developed will last forever. Dean and Dianna were two of the finest people to enter our lives. We find solace in the fact that Dean and Dianna are reunited, as was his wish.

“ Dean was my mentor at The Herald Bulletin, he taught me the in and outs in the accounting office. He never would get upset or frustrated with me, for he was a very patient man. I can always remember him talking about his grandchildren and his wife Diane. All of you are in my prayers and thoughts..
