

Lezlie Ann 'Wetzel' Mason

May 25, 1959 - March 25, 2025

Lezlie Ann 'Wetzel' Mason, 65, beloved wife, devoted mother and the best grandmother, passed away on March 25, 2025, leaving behind a legacy defined by love, strength and grace. Though she lived with Muscular Dystrophy, Lezlie never allowed it to limit her spirit or purpose; She lived fully, loved deeply, and had a lasting impact on everyone around her.

Born to the late Elton Jr. and Doris 'June' Wetzel, Lezlie was a proud graduate of Anderson High School and Indiana University. She went on to dedicate her professional life to serving her community, as a probation officer. Retiring from Madison County after 35 years of impactful work and unwavering commitment.

Lezlie's true calling, however, was her family. She was the heart of the Mason household and the foundation upon which countless memories and traditions were built. She is survived by her loving husband of 36 years, Gregory Mason of Anderson, Indiana, who stood faithfully through

every chapter of their lives, and their three kids, Jeremy (Casey) Mason of Summitville, Indiana; Matthew (Veronica) Mason of Martinsville, Indiana and Megan Mason of Alexandria, Indiana.

Above all, Lezlie's' greatest joy was her six grandchildren and one great grandchild; she absolutely lived for them. Every hug, laugh and moment with them was her greatest treasure. To Jeron (Zoe) Mason, Jayden Chaboya, Jaxon Mason, Katherine Mason, Frederick Mason, Wrenlee Mason and Alejandro Mason, she wasn't just Grandma or Memaw, she was their best friend, biggest cheerleader, teacher and the purest example of unconditional love. She never missed an opportunity to attend their sporting events, bake cookies, read a book together, or take them for a ride on her wheelchair. Her influence lives through each of them in their kindness, strength, and resilience; traits she instilled by example.

The family extends their sincere gratitude to Lezlie's long-term caregivers, Dr. David C. Mares; Dr. William J. Kopp; Home Health Nurse and friend, Sheila McDonald; former Nurse, Linda Norris and life-long best friend, Mary Kourounioti. Their love, compassion, dedication, and respect will never be forgotten.

Lezlie will be remembered as a woman of unmatched love, warmth and will.

Her presence and love were limitless. Though her passing leaves a deep void, her legacy lives on in the lives of those she loved and who loved her in return.

She was, and always will be, the very best!

Today marks six months of a different, intolerable existence. Joy is no more! Love is no more! Life is no more! There is a pain that is constant. How I long to see your smile, hear your voice, hold your hand, hug you again. I miss you. You are the Love of my Life.

“ *I'll never forget the wonderful memories of growing up with Lez. We were just 5 days apart and celebrated most birthdays together with family. Those days were amazing! The most incredible thing about her was her appreciation for Life. Living it to the fullest, even though it took great effort. She cherished her family, the ability to work at her job for 35 years and all the things we all take for granted. I thanked God repeatedly for Greg's love and care and the wonderful partnership and marriage they had together. God truly brought them together!*

I'll never forget the love and strength that she showed to all she knew. I'll always love my cousin, Lez.

“ *Lezlie was an amazing daughter, faithful wife, unconditional loving mother, grand slam grandmother, amazing aunt and a perfect sister. Lezlie had a genuine perspective like no other I have ever met. She always saw the lemonade in lemons, blessings through turmoil and the best in the worst. She had unfettered determination, unwavering values and unending love for all she encountered. It has been an honor to have a front row seat to the portrait of kindness, happiness and love as Lezlie modeled it 24/7.*
