“ Miss Lilly was like a grandmother to me and my husband. She would tell me things that happened in her life as a young lady and the places she lived in her life. i told her things about about my family. I talked about her a lot with my friends and family. My kids got to know her and she would ask about them all the time. They loved her dearly. I am going to miss her a lot but, she will be with me all the time just like all angels.

Love you Miss Lilly!
