“ I am so saddened to learn of Linda's death. I wanted to write to her and found out that she died several years ago. What a lovely and dear person Linda was. I know she is missed by David and her children. I knew Linda way back when David was in school in Arkansas. I am saddened but know that she is in Heaven and what greater joy is that. “ Linda was not only a friend but like a sister to alot of us that have known her. Although I haven't seen her in years she will be missed by all of us that have known and loved her through out the years. You've fought the great fight and run the great race and you've been an inspiration to us all...Thanks Linda.
