She absolutely adored you! When you were born she was so excited to finally have a niece. Until then she only had nephews and me. The basket of flowers you sent was gorgeous (and actually still hasn't wilted completely yet). Hate that you weren't able to be there, but understand and thankful to hear you're feeling better. We love you!

Thank you so much. I have such fond memories attending political fundraisers with my mother and visiting her at work when she worked there. She put in many many hours supporting various people throughout the years.

*“ My condolences to Linda's family.
Linda was definitely a bright star, always a smile and a laugh. We had many great times years ago and then visits occasionally when our busy 'working and children' lives took over. She will be missed.

“ Linda and I were in Speech class together in high school, when she was a Senior and I a Junior. We had wonderful conversations. Linda was highly intelligent and witty. I really enjoyed those talks and Linda as a person. It is sad to learn of her passing and may she be blessed. Her family has my sympathy.

“ I remember Linda's smile and her laugh! That girl could light up a room, and if you were having a bad day, Linda would soon have you laughing about something. Rest in peace, Linda. You will be missed.
