“ *In thinking back...I guess Linda and I have been friends for nearly 48 years. Our paths have crossed many, many times...from graduating from Highland HS together, both becoming medical technologists and doing our clinical training at St. John's Hospital, raising our families in Pendleton, and (most recently) working at IU Health together. We shared many interests...including a strong love for our family, friends, sports, music, and shopping. :-)* A true friend, indeed...I will miss you beyond words! Glad your battle with cancer is over and that there's no more worries/suffering....Much love,
Carla (Heathcote) Clem

“ I have worked with Linda for just a few yrs. She always had a beautiful smile and always very nice. She and I would share talks about Pendleton Schools and activities as my Granddaughter goes to school there. We talked of choir, band and teachers.

*Bless you Linda you deserve this rest after the long fight.
I know you are in heaven and holding your grand babies soul until it is time for it to some stay with Mommy and Daddy.....*

“ It is very saddening to hear of Linda's passing. I first met Linda in 2007 when my wife was taking her first chemotherapy treatment for breast cancer at Riverview Hospital. Linda had come down and brought my wife a Cancer Angel and gave to her and told her that everything was going to be fine and she would pray for us and our family. She had called numerous times to check on my wife and see how she was doing. I last seen Linda eating lunch with her wonderful husband Curt at Cracker Barrell and told her that we still had the Angel and it still means the world to us. Jesus has received another Angel to help him. Prayers and thoughts to your family .

“ Linda and I began our laboratory careers together. We worked very
hard but also had so much fun. My strongest memory of Linda is her
smile. What a sweet person she was. I pray that her family will feel
God's comforting presence during this sad time.
