“ *Linda, my oldest and dearest friend. We have been friends since we were 10 years old. We had a lot of good times when we were teenagers and have kept in touch over the years. I am so grateful for the two nights we got to spend together this summer just sitting on the porch catching up on things, like your dad used to say, we stayed up until the wee--hours of the morning. I would not trade them for anything, I'm gonna miss you girl, you was the best friend a person could ever had. I'll treasure our friendship forever. I Love You, Marsha*
