It was my pleasure of meeting you and our paths crossing for the time I was at SF. You were such a blessing to serve. I remember the pictures over your table of family, how you had your hair done every Thurs and nails ..where you sat to eat, how you loved coffee, our chats...but most of all how every little thing I did. I remember your appreciation and how you thanked me. It was my pleasure in meeting you. You were an absolute Joy. Denise Cross HHA
