“ *Melody and Family, I am so sorry to hear about your Mother, I remember so much she did for all of us growing up! She was a GREAT entertainer! We all loved the stories she would tell that would make the hair on our necks curl up! Singing in the car when we took the road trips to see out of town family, My thoughts and prayers go with each and everyone of you!*

“ *Dear Ruth, I was saddened to hear of the passing of your mother. Though I only met her on a few occasions, I was touched by her inviting spirit. I'll never forget the time when the Elm Grove Christian Church youth group was going on a youth retreat and I came to your home to get your mother to sign the permission slip for you to attend. She questioned me closely about where we would be and who would be there and how she could reach you if the need should arise. That's not often the case. I was impressed by your mother's protection and care of you. I deeply regret your loss and I'm sorry we will not be able to attend the visitation or funeral. We now live in Opelika, Alabama. You and your family will be in our prayers in the days ahead. God bless and enrich your life. Love, Tim, Mary Kay, and Kayla.*
