“ Saying how sorry I am for your loss doesn't begin to express the sadness I feel. I will always cherish the wonderful times Harold and I spent with Lisa as a young girl and growing into a woman. We both had a special place in our heart for her and will always remember her beautiful smile. I pray the memories you shared with her will give you strength and comfort during this difficult time.

*My thoughts are with you, and my prayers for you and all of her family. I know Harold has her in his arms. Bless all of you.*
