“ *I was Zech's bus driver for many years. Lisa and I became friends and would talk for hours. Lisa was a great friend, loved deeply, and was very protective of those she loved. I am saddened to hear of her passing. My heart breaks for all her family - especially Zech.*

“ *I am Lisa's cousin from Tennessee, I remember lots of things about her. She loved her family so much and when she was young she had the most beautiful long hair I had ever seen. A few years ago at a family I told her how gorgeous her legs were, she always had beautiful legs. She will be missed by many people, another missing piece of our family circle, for now but looking to seeing her again someday.*

To Nell, Sara & Molly there are no words to describe how sorry I am for your loss, sympathy & to all.
